

Cape Henlopen State Park

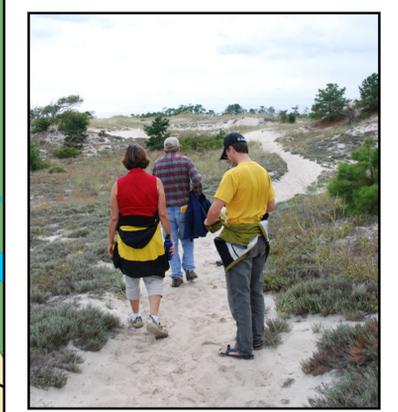

Gordons Pond and Junction & Breakwater Trails

Delaware State Parks

A potential project includes construction of a rail-with-trail between Cape Henlopen and Georgetown

An elevated shared-use boardwalk will be constructed near the base of the sand dunes. The new alignment will reroute the existing trail off the fragile sand dunes pictured here

The Junction & Breakwater Trail connecting Lewes and Rehoboth

An existing 0.7 mile multi-use pathway to the Gordons Pond Overlook
